Repeat Rows 3 and 4 to desired length. My cowl measured about 31 inches before adding the last row.

Last Row: ch 2 (counts as 1st stitch). Skip 1st dc, dc in each stitch across. Turn. (29 stitches)

Fold scarf in half and ss ends together. Fasten off and weave in ends.

If you would like to make this an infinity scarf that you can wrap around twice, you'll need about 10 ounces of yarn. Crochet until the scarf measures about 60 inches before adding the last row, then join the ends together.
