Change to Coffee.

Repeat Rows 3 and 4 once.

Last Row: ch 2 (counts as 1st stitch). Skip 1st dc, dc in each stitch across. Turn. (29 stitches)

Fasten off and weave in ends.

Your finished scarf will have 12 rows at each end consisting of 3 rows Coffee, 1 row Red, and 8 rows Coffee with the long center part of the scarf all in Red.

Finished scarf measures approximately 90 inches long by 9 inches wide. My husband is tall and wanted to have plenty of length to wrap the scarf. You can easily adjust the length of the scarf by subtracting or adding rows to the center red part of the scarf.
