Sew eyes, nose, and mouth onto one of the potholders.

Cut a piece of batting slightly smaller than the potholder. Layer onto the bottom potholder and place the piece with the face on top. Pin to hold in place.

Using orange yarn, tack the corners and the center of each side together through all 3 layers. Using your crochet hook, pull the yarn ends through so they are hidden between the potholder and the batting.

Border: with right side facing you (face side), attach orange yarn in bottom right corner. sc around the potholder through both layers, working 3 sc in each corner.

If you want a hanging loop:

When you get to the top left corner, sc 2 in same stitch, ch 12, sc in same stitch to make the 3rd corner stitch. Continue the sc border around to first sc. Join with ss to first sc.

Fasten off and weave in ends.

Finished Jack-O-Lantern Potholder measures about 7 by 8 inches.
